

## EXPRESSION of INTEREST

### PRIMARY CARE PARAMEDIC PROGRAM FACILITATORS - CASUAL Competition # HD23002

Medavie HealthEd is seeking, qualified Primary Care Paramedics or higher, who may be interested in delivering simulation sessions as part of the Primary Care Paramedic program on a casual basis at our **Yarmouth, NS campus**.

**ACCOUNTABLE TO:** Program Manager, Medavie HealthEd

**POSTING DATE:** February 21, 2023

**CLOSING DATE:** March 12, 2023

#### **PRIMARY FUNCTION**

Facilitators are responsible for the effective delivery of the simulation component of the Primary Care Paramedic program. This position is primarily responsible for the delivery of the simulation objectives, providing guidance to the students, the effective use of lab equipment/facilities, and the completion of simulation records for students. Additional duties may also include the completion of didactic lecture components.

#### **RESPONSIBILITIES**

There are general/program responsibilities that may include but are not limited to the coordination and preparation of all simulation training equipment, responding to student enquires, as well as inventory responsibilities.

#### **JOB REQUIREMENTS**

**Education:** The ideal candidate will possess the following:

- A Primary Care Paramedic diploma (or higher) from an accredited institution.
- A certificate in Adult education would be considered an asset. If successful candidates do not possess this certification, a specific course in adult education will be provided by Medavie HealthEd;
- A valid registration with the CPNS as applicable (or equivalent) is required.

**Experience:** A minimum of two years' experience as an emergency services provider at the level of an PCP or higher is required. Candidates should be active in the provision of emergency services and have experience in managing a number of projects simultaneously.

**Skills and Knowledge:** Must possess a strong understanding of the knowledge and skills required by a Primary Care Paramedic. Must have the ability to work with the Microsoft office suite of products. Be creative, innovative and committed to lifelong learning, with an enthusiastic desire to teach. The ideal candidate must possess excellent interpersonal skills, as well as have strong verbal and written communication skills in English.

If you are interested in this dynamic position and possess the necessary qualifications, please send your

application to [humanresources@medaviehs.com](mailto:humanresources@medaviehs.com).

We would like to thank all candidates for expressing interest. Please note only those selected for interviews will be contacted.

Medavie HealthEd is committed to the principle of equal opportunity in its employment practices and to providing an environment free from discrimination and harassment for all employees
