

Medavie HealthEd is seeking licensed Primary Care Paramedics, who may be interested in delivering simulation, and procedural skills sessions as part of the Primary Care Paramedic program on a casual basis at our Dartmouth, NS campus.

**ACCOUNTABLE TO:** Program Manager, Medavie HealthEd

**POSTING DATE:** March 4, 2024

**CLOSING DATE:** March 31, 2024

### **PRIMARY FUNCTION**

Facilitators are responsible for the effective delivery of the simulation procedural skills components of the Primary Care Paramedic program. This position is primarily responsible for the delivery of the simulation objectives, providing guidance to the learners during procedural skills, the effective use of lab equipment/facilities, and the completion of simulation records for students. Additional duties may also include the completion of didactic lecture components.

### **RESPONSIBILITIES**

There are general/program responsibilities that may include but are not limited to the coordination and preparation of all simulation equipment, assisting in addressing learner needs, as well as disposable/consumable inventory responsibilities.

### **JOB REQUIREMENTS**

**Education:** The ideal candidate will possess the following:

- A Primary Care Paramedic diploma from an accredited institution.
- Experience in the delivery of initial education, continuing education, or short course training.
- A certificate in Adult education would be considered an asset.
- A valid registration with the CPNS as applicable (or equivalent) is required.

**Experience:** A minimum of two years' experience as a licensed practitioner at the level of a PCP is required. Candidates should be active practicing paramedics Experience in managing a number of projects simultaneously may be considered an asset.

**Skills and Knowledge:** Must possess a strong understanding of the knowledge, skills and judgement required by a Primary Care Paramedic. Must have the ability to work with the Microsoft office suite of products. Be creative, innovative, and committed to lifelong learning, with an enthusiastic desire to teach. The ideal candidate must possess excellent interpersonal skills, as well as have strong verbal and written communication skills in English.

If you are interested in this dynamic position and possess the necessary qualifications, please send your application to [humanresources@medaviehs.com](mailto:humanresources@medaviehs.com).

We would like to thank all candidates for expressing interest. Please note only those selected for interviews will be contacted.

Medavie HealthEd is committed to the principle of equal opportunity in its employment practices and to providing an environment free from discrimination and harassment for all employees.
